

WEST WISCONSIN AVENUE RECONSTRUCTION PROJECT

UPDATE: June 2018

>>The first phase of the project is on schedule

START DATE: April 12, 2018

OUR PROGRESS:

- Both private and public utilities have been upgrading their facilities
- Completed the removal of pavement, and grading on the south side of the street
- Finishing the installation of concrete curb and gutter
- Pouring concrete pavement in the intersections

LOOKING AHEAD:

- Continue mainline concrete pavement from east of 35th St.
- Install electrical conduits behind curb line
- Anticipate sidewalk and driveway approach removal work to begin in early July

CONSTRUCTION IMPACTS:

- On-street parking is restricted
- North 28th St. from Michigan St. to Wisconsin Ave. is closed to vehicular traffic
- Anticipate noise outside the 7:00 am - 9:00 pm noise restriction for sawing of the mainline concrete pavement
- Short-term disruptions will occur when sidewalks and driveway approaches are being removed and rebuilt
- All work is weather dependent and subject to change
